S. Petersburg, 11/11 1899

Dear Mrs. Parlow;

Your letter came in time;

I did not know where you
are and nothing about

Kathleen's work; only Miss

Bentwich wrote me about

the German Athenäum the

same day when I got

your notice. — The

best news you gave me

I think I shall be in London
the 18 or 19 Dec; my route
from here being the same
as last year - by Paris
and there the same address.

Hotel de l'Europe, Champs Elysées,
for a few days before starting
for London. - I hope you
will give me better news
about your "business" when
I see you. Kiss Kathleen
for me, please.

Sincerely Yours
L. Ames

Mrs. Stein is very sensible
of your sympathy; Miss Bus-
singer I will transmittre your
